

HOW DID WE MAKE A DIFFERENCE THIS YEAR?

\$600K in direct support to Raiders & their families, serving over 8,000!

174 Raiders provided medical equipment or services not covered by the DoD (including mental health)

111 Transition Grants for Raiders transitioning out of military service

161 Gold Star Family Members attended our annual Resiliency & Remembrance event

2,917 served through Family Resiliency support (support for pre-deployment briefs, MARSOC Kids' Ball, Heritage Week)

1 new memorial honoring those who served with 1st MSOB/ 1st MRB who are no longer with us today

MARINE RAIDER FOUNDATION

2025 IMPACT REPORT

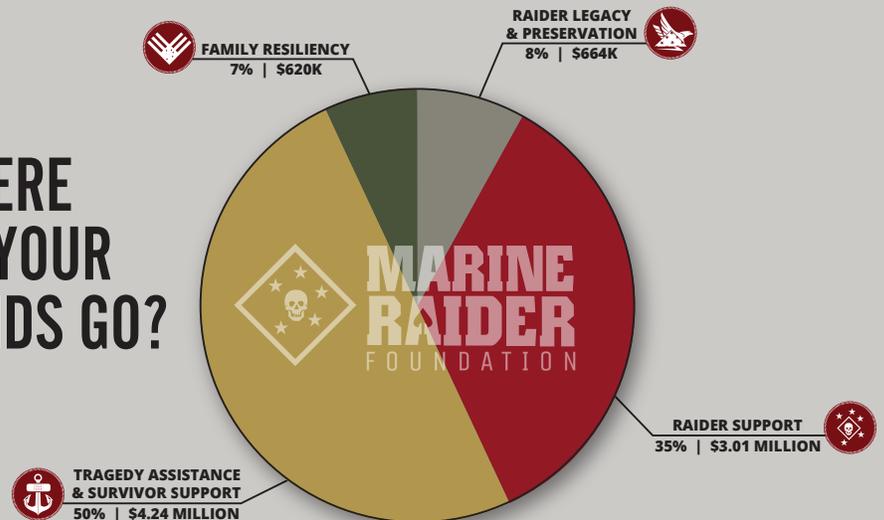

Since 2012, the Marine Raider Foundation has provided over **\$8.5 million** in support to Raiders & their families.

MARSOC HISTORY & MISSION

U.S. Marine Corps Forces Special Operations Command (MARSOC) is the Marine Corps service component to the U.S. Special Operations Command (USSOCOM). Dating back to the Marine Raiders of WWII, MARSOC trains, equips & deploys task-organized, scalable & responsive Raider teams in support of Combatant Commanders & other agencies.

Raiders conduct foreign internal defense, special reconnaissance & direct-action missions across the globe as assigned by USSOCOM on a priority basis. Raiders train, advise, & assist partner nations by conducting missions of Foreign Internal Defense. They continuously deploy throughout the world due to Special Operations Forces being the nation's "Force of Choice," thus increasing the demands on Raiders & their families.

WHERE DO YOUR FUNDS GO?

TOTAL: \$8,538,680.75

MARINE RAIDER FOUNDATION

PRIMARY SERVICES

TRAGEDY ASSISTANCE & SURVIVOR SUPPORT

For Marine Raiders managing wounds, injuries, and conditions resulting from their service, we provide ongoing support throughout the phases of their care. The goal of this program is to ensure that the heroes receive all the treatments and tools necessary.

This includes:

- Funding advanced rehabilitation programs, innovative equipment, medical equipment and innovative treatments not covered by military health insurance
- Alternative treatments and therapies not covered by the DoD or VA, including mental health and addiction treatment
- Hosting the annual Resiliency/Remembrance Event for Gold Star families to keep them connected with one another and their extended Marine Raider family
- Funding travel for family members to be bedside following surgeries or hospitalization
- Hosting and funding commemorative events and memorials honoring MARSOC's fallen heroes
- Funding travel for Gold Star Families and active-duty Raiders to attend the funeral services and commemorations for fallen Marine Raiders
- Adaptive equipment, orthotics, and braces needed for mobility or quality of life
- Emergency childcare

Thank you for acquiring medical devices to assist me with some medical ailments I have been dealing with over the past few years. I appreciate the assistance and am thankful for all the many great things the Foundation does for MARSOC and our families.

We met a couple of people who worked with our son who we had not met previously. We also talked with some who came into the unit after our son was killed, but still had stories to tell about his legacy that continues because of who he was and what he did. We loved catching up with the Gold Star Families who we have gotten to know over the past nine years!

RAIDER SUPPORT

As active duty and retired Raiders transition out of the military and approach their next mission in life, the Marine Raider Foundation provides them with the tools and assistance needed to ensure they succeed.

- One-time Transition Assistance Grants for Raiders re-entering the civilian sector following service to our Country
- Access to mentors & support of career transition programs & events
- Funding for programs, awards & ceremonies that recognize & promote Raiders' personal and professional resiliency

These items have made a big difference and help my tattoo shop run smoothly. The chair is huge. I had back surgery, and it still hurts to sit for a long time. The chair saves my back a great deal. I'm so thankful for this grant. I'm so thankful for all of the support and for you and the people that work with you. You guys are awesome. Thank you!

FAMILY RESILIENCY

Funding for childcare & emergency services for Raider families facing health & welfare challenges. Advocacy & funding of services for Raider family member with special needs. Funding for events that enhance resiliency for Raider families.

The most important line of support for our Raiders is their family, so it is critical that we are there to support! The Marine Raider Foundation helps Raider families with out-of-pocket expenses related to family medical emergencies, including those of special needs family members. Our programming

includes support for events that enhance morale and resiliency. The Family Resiliency Program is structured on the belief of empowering the spouses and children of Marine Raiders to help them navigate life in the Special Operations realm. Raider families are the backbone of this community.

“ Our family is so grateful for your help. We feel very blessed to be able to get counseling services for our little guy. You are heroes. ”

RAIDER LEGACY PRESERVATION

Memorial structure construction & maintenance, WWII Legacy & MARSOC Raider Events.

The United States of America's first special operations forces were the Marine Raiders of World War II. Today's Raiders carry on their name and legacy, as they are continually deployed throughout remote areas of the world, answering our Nation's call and keeping America forward.

- The Foundation funds memorials located at MARSOC and throughout the nation, including a memorial plaque currently being installed at Semper Fi Park in San Clemente, California to honor the men of 1st Marine Raider Battalion that gave their lives in service to our Country.
